# LIFE

LIFE è stata la prima rivista a dare le immagini alle parole, un volto ai nomi, a innovare radicalmente il modo di comprendere l'attualità e di raccontarla. Questa serie speciale vuole celebrare alcuni dei più grandi fotografi del XXI° secolo, trasformando le loro opere in puzzle unici.

LIFE was the first magazine to attach images to words, a face to names, to radically innovate the way of understanding current events and narrating them. This special series celebrates some of the greatest photographers of the 21st century, by transforming their works into unique puzzles.
